### BLUE MASS

The Police Officer's Brotherhood has been a staunch supporter of the Newark Blue Mass over the years. We have given generous donation to officers and their families in need at the luncheon ceremonies provided by the Blue Mass Committee for those recipients and officers in attendance held after the mass at the skating rink. The POB commends the efforts of the committee and all that they do to hold such a heartfelt remembrance of those officers who made the ultimate sacrifice protecting and serving the State of New Jersey. We thank all of them for their dedication and commitment to have the Blue Mass in honor of the men and woman in blue who gave their lives in the line of duty.

### BLUE SUICIDE

An epidemic that is increasingly growing across the nation and we thank **The Blue Magazine** for bring this issue to the forefront. ### We are our Brothers And Sisters Keeper!

The Police Officer's Brotherhood through its programs, services and fundraising efforts has donated over **\$175,000** to law enforcement officers and their

families during their time of need or crises regardless of their union affiliation, titles and agency they work for in order to form a band of brothers. We help support State, County and Federal law enforcement officers such as State Troopers, State Parole Officers, State and County Correction Officers, Sheriff's Officers, Municipal & County Police Officers. During these horrific times officers are being assassinated for just doing their jobs and wearing a uniform and their ultimate sacrifices serving & protecting shall not be in vain. It's time to unite and stand shoulder to shoulder with one another because....

Together we will make the thin blue line stronger!

It's time to bring back the true meaning of "The Brotherhood"

Donna Setaro was given flowers by the POB for her countless hours educating the public about the Move Over Law through the M.A.R.C. Program. K.C. Fuchs from the Silver Shield Foundation presented a generous donation to Donna for the cause. Donna greatly thanked those supporters of her mission and presented Mike and Jerry with clocks. Michael Sica explained that The POB is an independent non-profit Law Enforcement Organization formed to bring together the frontline law enforcement officer and the civilian community together forming an alliance to help all officers, their families and the victims of crime. The POB is governed by active and retired/former Law Enforcement Officers throughout the State. The POB is not a

labor union (Collective Bargaining Unit) or lobbying group and does not compete with the PBA, FOP, SOA or STFA. Our purpose is to unite law enforcement officers throughout the United State and give donations to all law enforcement officers regardless of their Union affiliation to bring back the true meaning of "the brotherhood". The POB has helped raise and donated over **\$175,000** to law enforcement causes.
